Congratulations on passing this examination! Your digital CESP™ certificate will be emailed to you within 1-2 weeks after the testing window closes along with a 4-email series sharing what it means that you are now a Certified Employment Support Professional™.

Please refer to the APSE website for more information at <https://apse.org/cesp-central/get-certified/post-exam/>.

Your name, state, and dates of certification will be posted on the online CESP directory by the Employment Support Professional Certification Council (ESPCC). To opt out, please see the APSE website for instructions. It is your responsibility as a CESP to ensure APSE has your most up-to-date contact information. If you've had an email or name change, please email [cesp@apse.org](mailto:cesp@apse.org).

ESPCC requires periodic recertification to promote professional development for employment services professionals and to ensure that individuals who hold the credential maintain an ongoing commitment to learning in their area(s) of practice.

Certification holders become eligible to complete their recertification application up to nine months prior to the date of expiration and through the 30-day grace period after expiration.

Recertification is mandatory for all certificants every 3 years. If certification is not renewed it will expire on the last day of the month three years after the certification was last earned.

To learn more today about recertification, visit <https://apse.org/cesp-central/recertification>.
